The Board of Governors of Plymouth School of Creative Arts is the admission authority for Plymouth School of Creative Arts. Plymouth School of Creative Arts will comply with provisions within the School Admissions Code and the School Appeals Code available at www.gov.uk/government/publications/school-admissions-code--2.

The admission arrangements outlined within this document apply to Plymouth School of Creative Arts in the 2019/2020 academic year. This policy should be read in conjunction with the Primary and In-Year Coordinated schemes of admission available at www.plymouth.gov.uk/schooladmissions.

Plymouth School of Creative Arts is classed as an all-through school. This means that children attending Year 6 at the primary school have an automatic entitlement to transfer to Year 7 of the secondary school but can, if preferred, apply for a place at an alternative school during the normal secondary transfer process.

SECTION I

(i) Application process for Reception/Foundation (normal point of entry)

The admission arrangements outlined within this section apply to children starting in the Reception/Foundation Year for the first time in 2019/2020. The published admission number (PAN) for this year group is 60. The close date for application is 15 January 2019. Allocation results will be notified on 16 April 2019. The school follows Plymouth City Council's coordinated primary admissions scheme available at www.plymouth.gov.uk/schooladmissions.

The admission arrangements outlined within this section apply to children starting Year 7 for the first time in 2019/2020. The published admission number (PAN) for this year group is 60. The PAN relates to external applicants to the secondary phase of the school. The secondary phase has spaces for 120 children. Children attending the primary phase in Year 6 and who continually attend until the last day of the summer term [term 6] have automatic right to progress to the secondary phase (without applying for a secondary school place) because the school is an all-through school. Any remaining places will be available for children not in attendance at Plymouth School of Creative Arts in Year 6 who apply for a place at the school for Year 7. The close date for application is 31 October 2018. Allocation results will be notified on 1 March 2019. Plymouth School of Creative Arts follows Plymouth City Council's coordinated secondary admissions scheme available at www.plymouth.gov.uk/schooladmissions.

An In-Year admission is any entry to school other than at the normal point, for example, transferring school due to a house move or for other personal reason. Requests for admission made after the normal round of admissions – after 31 August 2019 should be made direct to Plymouth City Council¹.

With the exception of a child with an Education, Health and Care Plan (EHCP), all applications will be considered under Plymouth City Council's Fair Access Protocol.

Application should be made via Plymouth City Council¹ at www.plymouth.gov.uk/schooladmissions. Plymouth School of Creative Arts follows Plymouth City Council's local co-ordinated in-year admissions scheme available at www.plymouth.gov.uk/schooladmissions.

Unless otherwise agreed, the published admission number applies to each year group as it moves through the school. The close date for application is the end of each working day. Offers should be made within twenty school days of the application submission date.

SECTION 2

Oversubscription criteria for Plymouth School of Creative Arts for primary and secondary normal point of entry and for all in-year admissions

A child with an Education, Health and Care Plan (EHCP) which names the school will be admitted.

At the normal point of entry, where there are fewer applicants than the PAN, all children will be admitted unless they can be offered a higher ranked preference. For in-year admissions where there is space in the school, all children will be admitted unless the school can demonstrate that admission would prejudice provision of efficient education or efficient use of resources. In the event that the School is oversubscribed, the admission authority will apply the following oversubscription criteria in order of priority:

1. **Looked after children and all previously looked after children.** A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after

¹ At the time of determination, Plymouth School of Creative Arts receives services from Plymouth City Council. If the school ceases this service, the function will be undertaken by the school or contracted to another provider.

children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).

2. **A child with exceptional medical or social grounds.** Applicants will only be considered under this heading if the parent/carer or their representative can demonstrate that only the preferred school can meet the exceptional medical or social needs of the child. This can be in the form of a testimony from a medical practitioner, social worker or other professional who can support the application on an 'exceptional' basis.
Exceptional medical or social grounds could include, for example:
 - a serious medical condition, which can be supported by medical evidence
 - a significant caring role for the child which can be supported by evidence from social services;
3. **Children with a sibling already attending the school at the time of admission.** Children will be classed as siblings if they live in the same household in a single family unit. This includes for example, full, half, step, or adoptive brothers or sisters;
4. **Children whose parent/carer is a member of staff employed on a permanent contract by the school** for two or more years at the time at which the application for admission to the school is made or where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage evidenced by completion of the staff supplementary information form. (This covers staff working at the school to which the application relates but does not include staff who work on the school site for other employers);
5. **Other children** not shown in a higher oversubscription criteria.

NOTES:

Admission out of the normal age group: Places will normally be offered in the year group according to the child's date of birth but a parent may submit an application for a year group other than the child's chronological year group. A decision will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The admission authority will also take into account the views of the head teacher of the school(s) concerned. Parents must not assume that the decision of one school will transfer with the child to a different school as the decision rests with the individual admission authority. Where a place is refused in a different year group but a place is offered in the school, there will be no right of appeal.

Appeals: In the event that an applicant is denied a place at the school, the parent/carer will have the right of appeal to an independent appeal panel. Information relating to the appeal process can be obtained from Plymouth City Council's School Admissions Team¹.

Fraudulent applications/withdrawal of allocated places: The School Admissions Code allows an offer of a school place to be withdrawn if:

- it has been offered in error or
- a parent has not responded within a reasonable period of time or

¹ At the time of determination, Plymouth School of Creative Arts receives services from Plymouth City Council. If the school ceases this service, the function will be undertaken by the school or contracted to another provider.

- it is established that the offer was obtained through a fraudulent or intentionally misleading application. An example of this would be knowingly using an incorrect home address for a child. In these cases the application would be considered using the information that the local authority believes to be correct, for example using the home address where the local authority considers that the child actually lives.

All suspected fraudulent applications will be investigated and if a case is found, it could lead to criminal prosecution.

Home address: Any allegations received by the admission authority of people providing false or accommodation addresses when applying for school places shall be fully investigated and, if found to be true, it could lead to a criminal prosecution and withdrawal of an allocated place. Schools have been advised by Plymouth City Council to ask parents/carers to provide proof of residence (for example utility bills) before admitting a child. Plymouth local authority (LA) will also carry out checks as appropriate¹. A child's home address is defined as the address at which the child is normally resident or, where a child lives at more than one address, the address at which the child lives for the majority of the time. Where the home address is unclear, the Admission Authority will determine the appropriate address taking into account factors such as the address to which the Child Benefit Allowance or Child Tax Credit is payable, registration for medical services etc.

Mode of study and start date: There is a legal requirement that all children begin full time education by the beginning of the term following their fifth birthday, this is referred to as compulsory school age. Places are offered to children for admission at the beginning of the September term after the fourth birthday. That is before they reach compulsory school age.

Parents have a right to defer the date their child is admitted, or to take the place up part-time, until the child reaches compulsory school age. The place that was offered would be held open for them at the school. Places cannot be deferred and held open beyond the beginning of the final term of the school year for which the offer was made. If you decide that admission will be deferred, you must tell the allocated school so that the place can be held open. Where a parent does not inform the school that admission is to be deferred and does not admit the child at the expected point, it is likely that the place will be withdrawn and offered to another child.

For normal point of entry: the expected point of admission will be September 2019.

For in-year admissions: the expected point of admission will be within two weeks of the date of the allocation or within six weeks of the original application whichever is the later (unless other arrangements have been made with the school).

Multiple births: Defined as the birth of more than one baby from a single pregnancy. We understand that parents/carers would like to keep twins, triplets and other children of multiple birth together. Where the admission criteria is applied and it is not possible to offer places to all children of the same multiple birth family we would work with the family to find the best solution for them and their children. Should it transpire that it is not possible to offer place(s) to all children within that multiple birth, the parent/carer will be invited to nominate which child should be allocated the place.

Response: Parents/carers must respond to an allocation of a school place within two weeks of the date of notification of availability of a school place or, in the case of an in-year admission, within six school weeks of the original application for a school place whichever is the later. Response must be made to Plymouth City Council¹. In the absence of a response, the offer may be revoked and the place may be reallocated to someone else.

¹ At the time of determination, Plymouth School of Creative Arts receives services from Plymouth City Council. If the school ceases this service, the function will be undertaken by the school or contracted to another provider.

Sibling at the school: As Plymouth School of Creative Arts is an all through school, a child meeting the sibling definition and attending either the primary or the secondary school is classed as a sibling.

Tie-breaker: Where we have to choose between two or more children in the same category as each other, then the nearer to the school the child lives - as measured by a straight line on the map using Plymouth City Council's electronic mapping system¹ - the higher the priority. Measurement points will be from the spatial locator identified by the National Land and Property Gazetteer. The spatial locator is the address point based on a general internal point. Flats are therefore taken to be the same measurement point regardless of floor of location. In the event of there still being a tie, there will be a random ballot using an electronic random number generator. Such a ballot will be supervised by an officer of Plymouth City Council¹.

Waiting lists: If a place cannot be offered at the preferred school, the child's name will automatically be added to the waiting list for any school ranked higher than the school allocated at the normal point of entry. Those on a waiting list and late applicants will be treated equally and placed on the same list. Waiting lists will be held in the order of the published admission criteria and will be maintained until the end of the summer holidays 2019 in respect of the normal point of entry. Any vacancies that arise will be allocated to the child at the top of the waiting list.

From 1 September term in 2019, the in-year admissions scheme applies and the waiting list procedure will change in that parents/carers will be asked if they wish their child to be added to a waiting list and to confirm their wish for their child to remain on a waiting list in order that the list can be kept up to date.
