

**MEDIA CONSENT FORM**  
**(Inclusive of images, moving image and sound)**

Dear Parent/Guardian

We have previously asked for your consent to use photographs, video and audio recordings of your child. New data protection rules will come into effect from 25 May 2018. To ensure we are meeting the new requirements, we need to refresh your consent to take and use photos, video and audio recordings of your child for anything other than educational and/or safety and security purposes (eg CCTV images).

We really value using photos, video and audio recordings of our students, to be able to showcase what students do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.
