

		Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Phase One Theme		Where We Are	Celebration	Planet Earth	Innovation	Sustainability	Healthy Living
P r e s c h o o l	Project title	Me, My Family and Friends	Traditional Tales	Under The Sea	People Who Help Us	Growing	My Body
	Intention	Finding out how we are similar and different to others and who the key people are that keep us safe	To develop a love of reading, stories and books	To explore the sea through role play, art, sensory, small world and real life experiences	To find out about people in our community	To notice changes in our families and environment	To understand the importance of hygiene, self-care, diet and exercise
	Driving question	Who am I?	What Stories do you love?	What can we find under the sea?	Who helps me?	How do things change?	How can I look after myself?
R e c e p t i o n	Project title	Journeys Near and Far...	Our Favourite Stories	Animals around the world	Building, Building Building!	Reduce, Reuse, Recycle	Keeping Healthy
	Intention	To learn about one another and celebrate who we are	To celebrate our love of books and stories	To share what we know about animals and their habits	To develop new construction and making skills	To develop an understanding of how to make a difference in our environment	To enjoy being active and to develop healthy habits for ourselves and our families
	Driving question	Where are we from?	Which stories do you love?	What animals do we have as pets and where do other animals live?	What could we build?	What can we do to protect the sea?	How can I keep myself healthy?
Y e a r	Project title	Plymouth Landmarks	Celebrations around the World: Link to another Country	Space	Toys (Pirates?)	Habitats & Homes	Healthy Eating

1	Intention	To find out more about our local area and community.	To cultivate curiosity about the wider world.	To provoke a sense of awe and wonder.	To plan, design and make a purposeful product for a specific audience.	To explore our impact on the environment and promote sustainable practice.	To develop our understanding of how our bodies work and how we can look after them.
	Driving question	What is unique about Plymouth?	What is celebrated in different areas of the world and how?	What's out there?	How do I use my making skills in a purposeful way?	How are we as individuals responsible for our environment?	How do I care for my body and why is it important?
Y e a r 2	Project title	Significant and influential people	Winter Traditions	Islands Around the World: Link with a school in another country	Machines	Water, Water Everywhere!	Health and Wellbeing
	Intention	To value individual contributions to life and learning	To embrace and celebrate a range of cultures and traditions	To familiarise ourselves with different places and people around the world	To look at the impact machines have on our environment	To become engaged in water conservation and environmental issues	To develop strategies to maintain a happy and positive mindset
	Driving question	What makes a person significant?	What is a tradition and is it important to maintain it?	How does where you live impact on your daily experiences?	How have machines changed the world?	Where does water come from?	What does 'healthy' look like?
